---

There will be a temporary delay in membership card delivery as CAP transitions to a new source for card production. We anticipate resuming card shipments shortly after October 5th. At that time we will be able to process all requests for cards that have occurred during the entire period. In the interim, your members may obtain a temporary membership card in eServices under "My Info" >> "Review/Edit My Info" >> "Print Temporary Card".

We apologize for any inconvenience this transition may present.
